ZOO'S GUIDE TO ALL YOU NEED TO KNOW, WATCH, BUY & LAUGH AT THIS WEEK!

Welcome to the jungle. It's...

Ahead of her trip to the Australian Outback, the Essex jungle beauty talks Bushtucker Trials, single life and her fear of kangaroo balls... irst they plonked Mark Wright into the jungle, then Joey Essex and last year (for all of 72 hours) Gemma Collins. It's taken quite some time, but now we think I'm A Celebrity... has finally got it right with TOWIE imports. At the fourth time of asking, those ITV bigwigs have given us what we all wanted from the very beginning: a sexy minx, in the stunning shape of The Only Way Is Essex totty Ferne McCann, to watch peeling off in that waterfall

every night.

Luckily, we found out with plenty of time to spare and were able to grab Ferne for a quick chat and a few cheeky snaps to make sure she was shipshape before her big reveal.

Needless to say, we're confident she's jungle-ready...

HI, FERNE. ARE YOU LOOKING FORWARD TO YOUR JUNGLE **ADVENTURE?**

I am so excited and of course a little nervous, too. Who wants to eat kangaroo balls and bed down with rats and snakes? I'm sure it'll still be a great adventure, though!

WHY ARE YOU TAKING ON THE JUNGLE, THEN?

When else would you get the chance to do the things you do on I'm A Celebrity... in your everyday life? ->

have a laugh. I loved Jimmy Bullard last year. If there's someone like him in the camp, that would be great. **ANY DELIGHTS PACKED**

IN YOUR BAG FOR OUR **READERS?**

A beautiful lingerie set, that's what! If I can't wear make-up in the jungle, then I at least want to wear nice undies!

WELL, YOU DO MODEL THEM SO WELL...

I've had to put in a lot of work, but I love how my curves and big bum look when I'm posing in my underwear!

YOU'RE SINGLE AGAIN, SO IS THERE ANY CHANCE OF **SEEING SOME JUNGLE** FROLICS?

Who knows? Like you said, I am single and really enjoying being single. It would certainly liven things up if there was some eye candy in with me!

DO YOU THINK THE JUNGLE IS A GOOD PLACE TO PULL?

It might be better for me than Essex! It's definitely a great place to spy on someone you fancy because, as ZOO readers know, there's nowhere to hide in that shower...

"My local butcher doesn't stock alligator penis!"

Plot

It took 14 years, but we finally have our first official glimpse at the longawaited sequel to Zoolander. However, despite their once iconic status, Derek and Hansel are introduced as old, past it guys who are terribly out of touch. But then they find a higher purpose when they're asked by smoking hot Interpol agent Montana Grosso (Penelope Cruz) to infiltrate the world of high fashion - and stop a criminal mastermind who is systematically killing the world's most beautiful people.

2016'S MADDEST CALL STANDARS

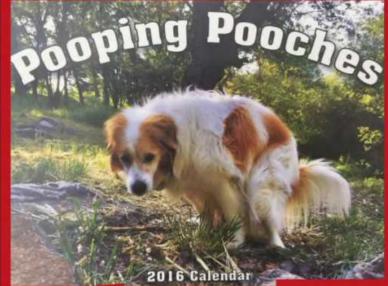

The annual barrage of calendars for next year have started hitting shops and you won't find any crazier than these offbeat corkers...

alendars for 2016 are popping up left, right and centre as we draw closer to the inevitable present-swapping season of the year. But hidden amongst every incredible topless ZOO girl and

awful pop star in preposterous outfits are some absolute gems.

By that, we are of course referring to the truly bizarre one-offs that only true maniacs would dare adorn their walls with. Calendars just like these...

Pooping Pooches

Dogs are cute. Dogs on the cusp of taking a big steaming s**t on the other hand aren't particularly endearing. Still we're sure there are some folk out there who enjoy this. We're just not sure if they're the kinda people we want to know very well.

Roundabouts Of The World

The pictures might not be overly strange compared to the rest of the competition, but the dramatic descriptions are slightly worrying, such as: "The roundabout is truly an oasis of Tarmac." We bet the creator bloody *loves* Milton Keynes.

Terrible Real Estate Photos

This isn't just 12 incredible pictures to gawp at, oh no. Lucky owners will be treated to 365 individual pieces of brilliant real-life listings, including a toilet in the kitchen and a man canoeing in the living room. Almost as ridiculous as London rental prices.

NYC Taxi Drivers

For years people have enjoyed the delights of the flesh on show draped over the sexiest cars ever built. But there's a reason why it's been models on supercars and not hairy New York cabbies and their yellow taxis. For evidence why that's been the case, look no further.

Gary Neville: Sexiest Man Alive!

David Beckham was just voted US People magazine's Sexiest Man Alive. but we're not having any of that. We asked you lot to decide instead. And you did...

ast week, US institution People magazine - read by 3.5 million Americans – voted David Beckham as 2015's Sexiest Man Alive.

But it seems you ZOO readers do not share their enthusiasm. Our snap online poll, conducted on ZOOToday.com, revealed the man you think is the hunkiest brute is none other than Beckham's best man and best mate... Gary Neville!

The Sky Sports pundit, and ex-Manchester United stalwart, pushed out Beckham and a host of other familiar contenders, including Ryan Gosling, Sam Allardyce and Jeremy Corbyn.

When we approached Neville about his award, he declined to comment. But it's no wonder so many of you have been tuning into Monday Night Football on Sky Sports since the right-back signed on in 2011. It's not for the excellent football analysis and excellent United vs Liverpool banter with Jamie Carragher (who received a grand total of nil votes, by the way). No, it's been for a certain Bury beauty...

How you voted!

espite being massively impractical, gasguzzling and too large for most supermarket car parks, owning a pickup truck should be on everyone's bucket list.

Traffic moves out of the way when you pilot one through town, mountains can be conquered, and luggage can be thrown into the rear bed with reckless abandon. Zero f**ks given.

Nissan knows we all secretly pine after a truck, which is why it's made the latest Navara NP300 so easy to drive – and goddamn car-like. The interiors of the mid-range Acenta+

models upward have been pinched from other SUVs in the range – such as the Juke, Qashqai and X-Trail – so feature all the creature comforts you expect of a modern crossover.

Range-topping versions also come with a new, five-point multi-link rear suspension system that means the giant is actually comfortable over longer journeys and corners precisely without a one-tonne payload in the rear.

But it's tackling the beardy, manly stuff where the big Navara shines, as it can tow 3.5 tonnes and traverse mountains like they are lumps in the road.

The 2.3-litre turbocharged diesel packs enough torque to see it out of most muddy situations, and the bespoke off-road settings, with fourwheel drive and rear differential-locking functions,

means it can haul ass on rough surfaces.

It may be a 5.2m, three-tonne beast, but it's surprisingly easy to live with - even if you don't sport the prerequisite facial

Mercedes set to unveil new SL The German giant has teased the facelifted SL model

ahead of its debut at the LA Motor Show later this month. It looks set to sport styling changes that bring it in line with the AMG GT sports car. Expect the monster 6.0-litre V12 engine to remain at the very top of the range.

Given his career choices have been questionable of late – and that's putting it mildly – Black Mass marks a welcome return to form for Johnny Depp, who puts in a terrifying performance as legendary Boston mobster Whitey Bulger.

Dependable support comes from Joel Edgerton as Bulger's FBI pal, who effectively grants him the freedom to build a criminal empire right under the law's nose in exchange for information, and Benedict Cumberbatch as Whitey's older brother, whose political ambitions jar with his sibling's sinister life of crime.

This is ultimately Depp's show, and having spent the past few years phoning it in, it's a genuine thrill to see him running things with gusto once more in this gripping crime drama.

FIGHT THEN...

All my life I knew I would be a fighter, I knew I would be heavyweight champion of the world. I think it was just

a built-in thing. I used to buy old tapes from car boot sales and watch hours of the greats. **ARE YOU WORRIED ABOUT**

WLADIMIR KLITSCHKO **EVEN TURNING UP ON** THE NIGHT?

The fight is happening because there would be too much of a kerfuffle if it didn't. The injury was just Wlad playing mind games; they were just trying to make me go off the rails, get drunk and go wild as I normally do. Unfortunately for him though, I just did more running and sparring.

WILL THE FIGHT LIVE UP TO THE HYPE?

I'm a realist. I don't get caught up in the moment and I say things for what they really are. You can dress this fight up as much as you want but at the end of the day when we get in the ring, there'll only be one man fighting.

WE TAKE IT THAT'LL BE YOU THEN?

Wlad's only got three punches in his locker so all he can do is jab, right hand and left hook. He goes in and out with his feet, jumping back and forward like a kangaroo, and that's your lot. No fighting on the inside, no awkward punches, nothing. WITH ROD STEWART IN AS

THE WARM UP ACT. WILL YOU BE LEAVING ALL THE SINGING TO HIM ON THE NIGHT?

You can't get bigger than Rod warming you up before a fight!

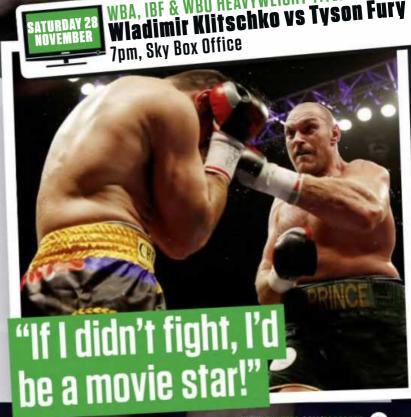

CHARISMA AS YOUR UNDERPANTS, IS IT TIME YOU STARTED SHOPPING ELSEWHERE FOR YOUR UNDERWEAR?

Ha ha. Yeah I've been sending my wife to get them specially made now. They've got stars and butterflies on them.

DO YOU HAVE ANY RESPECT FOR THE MAN HOW MUCH OF THE GYPSY CLAN WILL BE FOLLOWING YOU OUT TO DÜSSELDORF?

Every travelling man in the country is going to come over, plus every one who wants to be a travelling man, and everybody else. I heard 30,000-odd Brits are going to take over the city, so our presence will definitely be felt!

"Fury is a circus act!"

Dr Steelhammer prepares to give Tyson Fury some "therapy" for his 19th heavyweight title defence

I, WLADIMIR. DOES FIGHTING ANOTHER MOUTHY BRITISH BOXER FEEL LIKE DÉJÀ VU FOR YOU?

I'm thankful to all of the British fighters for being so "colourful": David Haye, Dereck Chisora, and continuing with Tyson Fury. David Haye had some interesting promotional ideas, but he became a better person after our fight and now it's Tyson Fury's turn to get the same therapy.

WHAT DO YOU MAKE OF TYSON FURY?

I think deep inside he's very insecure and still a little boy.

He's a circus act but I know he'll be dangerous when we get in the ring, so I am preparing for him as if it's the toughest fight of my career – like I do with all of my opponents.

DO YOU BELIEVE HIM WHEN HE SAYS HE'S COMING TO KNOCK YOU OUT?

I've not seen a lot of knockouts from him, but I have seen some stoppages and his opponents getting pulled out by the referee. He's more of a point-scoring puncher and you can't suddenly discover knockout power overnight: you either have it or you don't.

ARE YOU PLANNING ON ENSURING THERE'LL BE NO EXCUSES AFTER THIS?

I hope there will be no excuses. I will mention it to him that if there are any excuses after the fight, then he needs to pay £100,000 to our charity, the Klitschko Foundation.

HOW WORRIED ARE YOU ABOUT FIGHTING A TALLER OPPONENT FOR ONCE?

I'm more aggressive towards taller guys. But apart from being flexible and able to switch from an orthodox to a southpaw stance, I can't see anything to worry about because as soon as he's hurt, he'll go back to basics. FURY SAYS YOU WERE TOO SCARED TO SPAR HIM AT A TRAINING CAMP BACK IN 2010...

I remember it very clearly; he was way too young and way too raw. He would have been beaten up badly in any sparring and that wouldn't have been good for his mental side.

HAS TYSON FURY GOT WHAT IT TAKES TO BECOME WORLD CHAMPION?

Not during my reign. He's not even the best heavyweight in Britain. David Haye would have knocked him out if that fight had happened, and while Anthony Joshua is still raw, he has improved a lot, so he'd beat him as well.

WHY ARE YOU GOING TO FIGHT LUCIAN BUTE IN HIS OWN BACKYARD?

We're both Al Haymon fighters, and it just worked out better financially for me to go over there. But I won my Olympic title away from home and then my world title away from home, so it doesn't bother me where I fight. Hopefully, next year I can have my homecoming at the Emirates Stadium.

HAS BUTE BEEN THE SAME MAN SINCE CARL FROCH TOOK HIM APART IN FIVE **ROUNDS?**

Probably not, but he's still an elite fighter and wants his old On the other hand, I thrive on being booed when I walk into the arena - and cheered when I walk out.

HOW DOES IT FEEL TO BE FAST BECOMING A CROWD **FAVOURITE?**

It's humbling to get kudos for something that you love doing and you're doing well. If you let your boxing do the talking and you keep on producing, the British public will love you. That's what I've been doing for the past couple of years. ONE MAN WHO THINKS HE HAS YOUR NUMBER IS GEORGE GROVES. ARE YOU STILL INTERESTED

and three losses, I think George needs to shut his mouth, get a new trainer, get a couple of good wins under his belt, and then he can start mentioning my name. Until then, he shouldn't talk about me because I'm flying. I could retire tomorrow with a loss to George Groves on my record and live with it.

WITH YOU BEING ARSENAL AND HIM BEING CHELSEA. **ARE YOUR FORTUNES** SIMILAR TO YOUR TEAMS **RIGHT NOW?**

Ha ha - that's a good analogy. I've got the style and flair, and as they say the cream always rises. That's why Arsenal are challenging at the top of the table while Chelsea are struggling: just like me and George Groves.

YOU'VE EARNED KNOCKDOWNS AGAINST YOUR LAST FOUR

OPPONENTS. WILL THIS TREND BE CONTINUING ON FIGHT NIGHT IN **OUEBEC?**

My last few opponents were top fighters and look what I did to them. Brandon Gonzales was taken out, Marco Antonio Periban was taken out, and Andre Dirrell would have gone the same way, but he showed a lot of heart and got back up. Hopefully, I'll do the same thing to Lucian Bute.

"George Groves needs to shut his mouth!"

UCIAN, HOW FED UP **ARE YOU WITH HEARING ABOUT** YOUR LOSS TO CARL

It was a bad experience for me in 2012. I lost my title, but that is in the past. Now I feel good, I have a new team and trainer around me, I feel healthy and I'm looking forward to becoming a world champion for the second time.

YOU'VE ONLY HAD THREE FIGHTS SINCE THEN, HOW HARD HAS THE ROAD BACK BEEN?

The last few years were difficult for me. I had so many injuries and I took a long break of 18 months before my last fight. It helped me a lot and I had the time to stay with my family.

Now I feel fresh and I have everything on my side to become world champion.

HOW HAPPY ARE YOU TO **BE FIGHTING IN CANADA** THIS TIME?

When you fight in front of your

own fans, and have 15,000 people pushing you and supporting you, it gives you energy. I felt the other side of that when I came to the UK to fight Froch in front of his fans. It wasn't easy for me, and now James DeGale is going to go through the same thing. ARE YOU EXPECTING A MORE TECHNICAL FIGHT

AGAINST "CHUNKY"?

I have a lot of respect for James: he is an Olympic and world champion. He has good

skill, speed and power. He moves a lot and can switch from southpaw to orthodox stance, so I know he won't be an easy opponent. But I'm ready. YOU'RE CHALLENGING FOR YOUR OLD TITLE. HOW MUCH HAVE YOU MISSED THAT BELT?

I owned this belt for five years and defended it nine times. Of course it hurts when I see the belt on another man's shoulder. but it's my belt and on Saturday night, I will be taking it back.

"The loss to Froch was a bad experience"

GETTING THE BEST OUT **OF PLAYERS**

"One of Brian Clough's main skills was getting the most out of players regardless of who they were or what they had done previously. I've never played under Jose Mourinho, so I can only make a judgement from what I've seen. He also seems like a motivator who can get his players to perform out of their skins. He'll need to muster all of that to turn around their form." **PICKING ON REFEREES**

Mourinho are very different is their respect for the officials. Clough used to instil into his players never to answer back or get involved in any kind of dissent towards referees, whereas Mourinho constantly criticises them. It's not good for the club because referees are only human at the end of the day, and if you're always at loggerheads with them, then it may affect their making of the big decisions."

UNRECOGNISABLE TEAM

"Mourinho hasn't

become a bad manager overnight, but there are clearly problems at Stamford Bridge because you can't go from being a team that's won the league as comfortably as they did to a team languishing towards the bottom of the table. It's unprecedented. But the players need to look at themselves as well: some of them are quite unrecognisable from their level of performance last year."

AGAINST THE CLOCK "When Clough was manager of Forest, he actually controlled

the whole football club. We had a chairman, but the manager was more important than even him. That certainly doesn't apply at Chelsea. The owner has invested heavily in bringing Mourinho back and giving him a very lucrative contract. Of course he wants him to succeed, but in modern football you only get so much time no matter who you are."

e've shown you some pretty harrowing images in our time, but none quite as bad as this. We wish Garrido a full and speedy recovery!

With many top-end headphones, you have to turn the volume up too high to really get the bass you want, because they are too 'mid-rangey' (yes, we've just invented that word!). And then the highs are too harsh for dance music. We tuned PUMP specifically for lovers of EDM.
